**INFORMATION DISCLOSURE STATEMENT**

Applicants request consideration of the documents listed on the attached PTO-1449 form.

The documents include a "Notice of Intervention" (reference CK in attached PTO-1449) filed in the European Patent Office on behalf of Citizen Electronics Co., dated December 21, 2005, and alleging bases for revoking a European patent application related to the present application. Most of the remaining documents listed on the attached PTO-1449 form correspond to the supporting documents cited in the Notice of Intervention.

The documents also include an English translation of a "Nullity Request" (reference CJ in attached PTO-1449) filed in the German Patent and Trademark Office, dated December 3, 2001, and alleging bases for canceling a German utility model related to the present application.

Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request. The references listed in bold are believed to have already been cited, however, we enclose and list them out of abundance of caution. Many of the supporting documents are believed to already be of record; however, we are enclosing copies of them and including them in the attached PTO-1449 form (listed in bold) so that the documents are easily available to the Examiner.

**CERTIFICATE OF MAILING BY FIRST CLASS MAIL**

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.
